## **PRIVACY STATEMENT**

You can be assured that the privacy of your personal information is of the utmost importance to us. The information provided by you in any application for membership or application to enter is used by the Gatton Show Society (GSS) to offer member services or to organise and conduct competitions at the Gatton Show. By entering such competitions, you consent to provide such details as your name, address, and exhibit details. Competition information may be made available to the media and included in GSS publications. Your information will not be disclosed without your consent for any other purpose unless required by the law. You may request access to your information and request that our records of that information be corrected by contacting our Chief Steward or by writing to the Gatton show Society.

## **WORKPLACE HEALTH AND SAFETY**

The Gatton Showgrounds are a designated Workplace within the meaning of the Workplace Health and Safety Act 2011 and exhibitors/competitors are required to ensure that they and all persons under their direction or control, including their contractors or sub-contractors, comply with all requirements of the Act and the GSS holds each exhibitor responsible to discharge its obligations to provide and maintain a safe place and system of work during occupation by the exhibitor/competitor of any area of the Gatton Showgrounds.

Each exhibitor/competitor will assess the risk to themselves, staff, volunteers, family, other exhibitors, GSS staff, show visitors, children and any person foreseeably affected by the presentation of their exhibit.

Risks identified by exhibitors/competitors will be eliminated or controlled by the exhibitor/competitor and attention will be paid to ensuring public safety and safety of other exhibitors/competitors.

Exhibits will only be led and handled by competent persons whose experience is known to the exhibitor/competitor. A "No Smoking Policy" will be strictly adhered to and policed by exhibitors/competitors and exhibitors/competitors are advised that the use of Primus stoves, any heating or lighting appliances of a like character, or any naked light, is prohibited in the pavilions. Any exhibitors/competitors intending to bring electrical equipment to the Showgrounds will be required to ensure that such equipment is fitted with residual current protection and that all electrical leads, tools, and appliances have been inspected by a licensed electrical contractor and currently tagged. The use of double adaptors is prohibited, and all power boards must also be tested and tagged.

All exhibitors/competitors will comply with the requirements of the Act and its Regulations and Standards in every other respect. The Gatton Showgrounds is subject to a Special Facility License issued under the Liquor Act 1992 and strict laws related to the consumption and possession of liquor across the Gatton Showgrounds site. The consumption or possession of liquor outside of the licensed bar areas is not authorised by the Gatton Show Society and, in many cases, may be an offence for which on the spot fines can be issued by Police and Liquor Licensing Investigators. This is essential for the safety of all exhibitors/competitors and the general public. The Act imposes very severe penalties in the event of non-compliance with its provisions. Any exhibitors/competitors who do not comply will not be allowed to exhibit at the Gatton Show.

The attention of Exhibitors is drawn to the following extracts from the GSS By-Laws.

## **VETERINARY TREATMENT & INSPECTION**

No pharmaceutical shall be administered to any animal exhibit except under the direction of the Society's Veterinary Surgeon who shall advise the Section Stewards if such pharmaceutical is likely to have any effect upon the animal which would be material to its changes of being awarded a prize and in such case the Section Stewards may debar the animal from competing. Section Steward may at any time direct the Society's Veterinary Surgeons to take a sample of blood, saliva, or urine from an exhibit for testing.

## **DISEASE OR DANGER**

Should there be any reason to suspect that any Exhibit is either diseased or dangerous, or objectionable, the Society through its Officials, reserves the rights of removing the same from or refusing its admittance to the Gatton Show.

An Exhibitor who detects or suspects any illness amongst any of his entries whilst the animals are at the Showgrounds must:

- (a) Report this fact immediately to the Chief Steward responsible for that section.  
Ensure that the animal/s is/are contained within its/their accommodation area/s unless advised otherwise by the Chief Steward or the Society's Veterinary Surgeon
- (b) Where feasible to do so, contain soiled bedding from the animal/s within its/their accommodation area.  
The Society may at its discretion require to have any biological tests conducted on any animal exhibited at the Gatton Show or to have materials collected from such animals in order to have tests carried out, after such animals arrive at the Showgrounds.

If in the opinion of the Chief Steward of a Section, an Exhibit requires Veterinary treatment and the Exhibitor cannot be contacted immediately, the Chief Steward may instruct a Veterinary Surgeon to treat exhibit and the costs paid by the Exhibitor to the Society. The Society shall not be in any way liable to an Exhibitor for any damage to or injury to such Exhibit.

Where, in the opinion of the Society, an Exhibit, being an animal, should be destroyed or removed from the Showgrounds, the Society's Veterinary Surgeon or the GSS may destroy or remove the Exhibit from the Showgrounds, or both. Alternatively, the GSS may require the Exhibitor to destroy or remove the Exhibit from the Showgrounds, or both. Any costs incurred by the Society pursuant to this By-Law must be reimbursed by the Exhibitor.

The Society shall not be responsible for any loss or damage caused (inter alia) through disease or infection howsoever arising.

## BIOSECURITY QUEENSLAND REGULATIONS

All Queenslanders have a 'general biosecurity obligation' (GBO) under Queensland's Biosecurity Act 2014 (PDF, 1.5MB). Not complying with the GBO is an offence.

This means that everyone is responsible for managing biosecurity risks that are:

- Under their control and
- That they know about or should be expected to know about.

Under the GBO, individuals and organisations whose activities pose a biosecurity risk must:

- Take all reasonable and practical steps to prevent or minimise each biosecurity risk
- Minimise the likelihood of causing a 'biosecurity event,' and limit the consequences if such an event is caused the following conditions will apply to stock and Vehicles moving on to the Gatton Showgrounds
